

Our Vision: To provide quality education to foster continual growth and development for the community.
Our Mission: We are committed to impart quality skills to our students and to work in partnership with our accredited partners to meet the students' aspirations and goals beyond post-secondary education and to finally, provide an avenue towards a rewarding career path
Culture: "Serve with pride, lead the change"
Core Values: Be committed to our student's performance, Life-long learning, Integrity & Ethics, Care for the Environment and Community

Course Code: TGS-2023021710

Course Objectives

Identify and confirm customers' expectations and needs. Communicate with customers in a way that makes them feel valued and respected. Respond promptly to customers' requests and provide personalized service where possible. Identify and act to mitigate triggers in the service environment that may lead to potential service challenges. Direct feedback on areas of improvement and unresolved service challenges to the right escalation channels.

Course Content

This course is about communicating well with the customers and giving a positive impression to a diverse range of customers in F&B establishments. By doing so, the learners can contribute to a positive customer experience and the likely retention of happy customers.
